Md Irteza Saquib

Sakunat khurd Bihar sharif Nalanda

9135595758 | mdsaquib140802@gmail.com

Education

- **Vivekananda Global University (JAIPUR)** 2024-27
  BCA (Bachelor of computer application)

- **Allama Iqbal College (BIHAR)** 2022-24
  ISC (Intermediate of Science)

- **Sadar Alam Memorial Secondary School (BIHAR)** 2022
  10 th (Matric)

Skills

- **Technical Skill** :- Proficient in C Programming -
- Knowledge of Java Programming -
- Basic understanding of Data Structures and Algorithms -
- Understanding of Object-Oriented Programming (OOP) Concepts -
- Experienced in web development using HTML for structuring web pages.
- **Soft Skills**:- Problem-solving and Analytical Thinking.
- Team Collaboration and Communication Skills.
- Time Management.

Projects

- 1. Student Management System:-
  - Description: A console-based application developed in C language to manage student data such as enrollment, grades, and personal details.
  - Features: Add, update, delete, and view student records.
  - Key Learning: Improved understanding of file operations and menu-driven programming.

- 2. Employee Management System:-
  - Description: A simple application created using C language to manage employee information like ID, salary, and job roles.
  - Features: CRUD (Create, Read, Update, Delete) operations for employee data.
  - Key Learning: Gained experience in modular programming and working with structured data.

- 3 . Amazon Clone (Static Website):-
  - Developed a static clone of the Amazon homepage using HTML for structuring web content.
  - Created features like navigation menus, product listings, and a footer to mimic the design of a real e-commerce website.
  - Demonstrated proficiency in using HTML to create well-structured web pages.

Interests

- Exploring and Learning New Technologies
- Problem-Solving and Logical Thinking
- Experimenting with Coding Projects

Languages

- Hindi: Native/Fluent....
- English: Basic/Intermediate
